Mission Statement:

“The mission of the Topanga Canyon Boulevard Roadside Committee, an ad hoc advisory group, working collaboratively with related public agencies and community organizations, is to plan and execute sustainable solutions by April 2013 to manage roadside brush clearance along TCB/State Route 27 that promote public safety and best management practices for fire safety, invasive plant management, and protection of the natural environment of the Topanga Creek Watershed, by using methods, other than herbicides, consistent with the goals and policies of the Topanga Creek Watershed Plan of 2002.”
