Mission Statement: *The mission of the Topanga Emergency Management Task Force, a partnership of designated public agencies, non-governmental organizations, and community organizations is to ensure the sustainability of emergency management efforts and strategies for the Los Angeles County unincorporated area of Topanga. The Task Force oversees the coordination and communication among governmental agencies, non-governmental organizations, and the community to improve preparedness, prevention, response, and recovery. It will develop, review, and monitor community-based emergency plans, facilitate emergency planning exercises, ensure community involvement and educational outreach, and evaluate and update emergency plans after a disaster.*
